PO Box 811
Wenatchee WA 98807-0811

Re: Ground Water Application

Your application is being returned for the following reasons:

1. The \$10.00 statutory fee was not included with your application. Please be advised that this office has no formal mechanism for billing any entity. You will therefore need to include a voucher or a check when you return the application.
2. You will need to indicate whether the US Forest Service owns the property where the well is located.
3. You will need to provide a legal description of the property where the water will be used.
4. You will need to supply a copy of a Chelan County Assessor's map of your property. You will need to highlight the boundaries of your property and mark with an X where your source is located. You will need to provide enough detail so that we will be able to locate section corners.

Your priority date will be the date you return your application, \$10.00 fee or voucher and all the above-requested information.

You may contact this office at (509) 575-2800 if you have any questions.

Sincerely,

Myria J. Autrey Johnson
Water Resources Program
