PROVISIONS

- (1) This superseding certificate changes the point of diversion and place of use as provided by Chapter 90.03.380 RCW and supersedes Certificate of Water Right recorded in Vol. 4 of Water Right Certificates at Page 14 dated June, 1929 which was issued by a decree of the Superior Court of the State of Washington in and for Walla Walla County, made and entered on the 12th day of September, 1928 and recorded in Vol. 16 of the Superior Court Journal of said County at Page 1. The decree determined the rights of all known claimants to the use of the waters of Titus Creek, a tributary of the Walla Walla River.
- (2) When the supply of water for irrigation purposes from April 1 to October 1 is insufficient in the Walla Walla Valley to fill any right in the above-mentioned decree, the owner of such a right is entitled to divert water during the period of October 1 to April 1. The total diversion shall not exceed 5 acre feet per acre for any year beginning October 1.
- (3) The above-mentioned decree establishes this right in Class 4

The right to the use of the water aforesaid hereby confirmed is restricted to the lands or place of use herein described, except as provided in RCW 90.03.380, 90.03.390, and 90.44.020.
