Dear Sir or Madame:

The request for assignment of the above-referenced permit has been processed, and we have changed our records to reflect this assignment. All future correspondence will be sent to you, unless we are otherwise advised. We are also including a copy of the Amended Permit for your review.

To keep your permit in good standing, you must keep to your development schedule and send the required progress reports in a timely manner. It appears that a Completion of Construction form is due October 1, 2007. If there are circumstances that delay completion of your project, **you must contact us in writing to request an extension.** Refer to the enclosed pamphlet for more information.

In future correspondence please reference the water right permit number cited above; it will help us to serve you more quickly.

If you have questions or would like help, please contact me at (360) 407-6918 or at [abro461@ecy.wa.gov](mailto:abro461@ecy.wa.gov). Thank you for your attention to this matter.
