DEPT OF ECOLOGY

REMARKS

7. Property was homesteaded by my great-grandmother, Lydia Williams. Parcel has been actively farmed by my family members, including myself. Land uses have been dairy, cattle, hay crops, row crops (corn & peas). It is my desire to continue these farming practices and request that an irrigation and stock water right permit be granted so that my farm will comply with the new Department of Ecology regulations.

IF 10 ACRE-FEET OR MORE OF WATER IS TO BE STORED AND/OR IF THE WATER DEPTH WILL BE 10 FEET OR MORE AT THE DEEPEST POINT, A STORAGE PERMIT MUST BE FILED IN ADDITION TO THIS PERMIT. THESE FORMS CAN BE SECURED, TOGETHER WITH INSTRUCTIONS, FROM THE DEPARTMENT OF ECOLOGY.
