Dear Mr. Alwine:

Re: Surface Water Permit No. S 2-28300

In reviewing your permit, we find we have not received your notice of beginning of construction form.

If the work has been started on this project, please complete the enclosed form. If not, you must request an extension of one year. Please submit the statutory extension fee of \$10.00, payable to the Department of Ecology.

By statute, projects under permit must be pursued with diligence, and good cause for granting an extension must be shown. A report of progress made during the past year must be included with your request for extension. If you are no longer interested in the permit, please sign the statement below and return to this office.

I am no longer interested in processing the Surface Water Permit No. S 2-28300 or obtaining a water right and I hereby agree to it being cancelled.

I understand that after the effective date of cancellation, any use of of the surface water is a violation in accordance with Chapter 90.03 90.03 RCW and subject to enforcement action.

Sincerely,
