LEGAL DESCRIPTION OF PROPERTY ON WHICH WATER IS TO BE USED

Tracts 1 through 7 of Sargent Home Tracts within Section 36, T. 16 N., R. 3 W.W.M.

DESCRIPTION OF PROPOSED WORKS

24 concrete circular ponds 50' in diameter and 4' deep. These ponds will discharge into two 60' x 225' earth settling ponds. Overflow water is piped to two 4 acre surface area reservoirs.

Wells # 5 and 6 will be approximately 20" x 100'.  
*WATER OBTAINED FROM ORIGINAL 4 WELLS*

DEVELOPMENT SCHEDULE

BEGIN PROJECT BY THIS DATE: Started	COMPLETE PROJECT BY THIS DATE: November 1, 1982	WATER PUT TO FULL USE BY THIS DATE: November 1, 1983
--	--	---

PROVISIONS

"If any interference should be noted in surrounding wells, an aquifer test will be performed by Dom Sea Farms to establish the nature or extent of the interference."

The installation of an access port as described in Ground Water Bulletin No. 1 shall be required prior to issuance of final certificate of water right. The permittee, may for his own convenience, wish to install an airline and gage in addition to the access port.

Owing to the proximity of neighboring wells, the permittee is reminded of his responsibility towards same and advised that he may be required to regulate his withdrawal pumping rate if existing rights are injuriously affected.

Permittee is advised that notice of proof of appropriation of water (under which final certificates of water right issues) should not be filed until the permanent diversion facilities have been installed together with a mainline system capable of delivering the recommended quantity of water to an existing or proposed distribution system within the area to be served.

*This permit shall be subject to cancellation should the permittee fail to comply with the above development schedule and/or fail to give notice to the Department of Ecology on forms provided by that Department documenting such compliance.*

Given under my hand and the seal of this office at Olympia Washington, this.....30th.... day of March....., 19 79.....

WILBUR HALLAUER, DIRECTOR  
Department of Ecology
