

Providence Health & Services

OUR MISSION

As people of Providence, we reveal God's love for all, especially the poor and vulnerable, through our compassionate service.

OUR VISION

Together, we answer the call of every person we serve: Know me, care for me, ease my way.®

OUR CORE VALUES

Respect, Compassion, Justice, Excellence, Stewardship

About Providence

A Catholic health care ministry

The fourth largest not-for-profit health system in the U.S. serving Alaska, California, Montana, Oregon and Washington

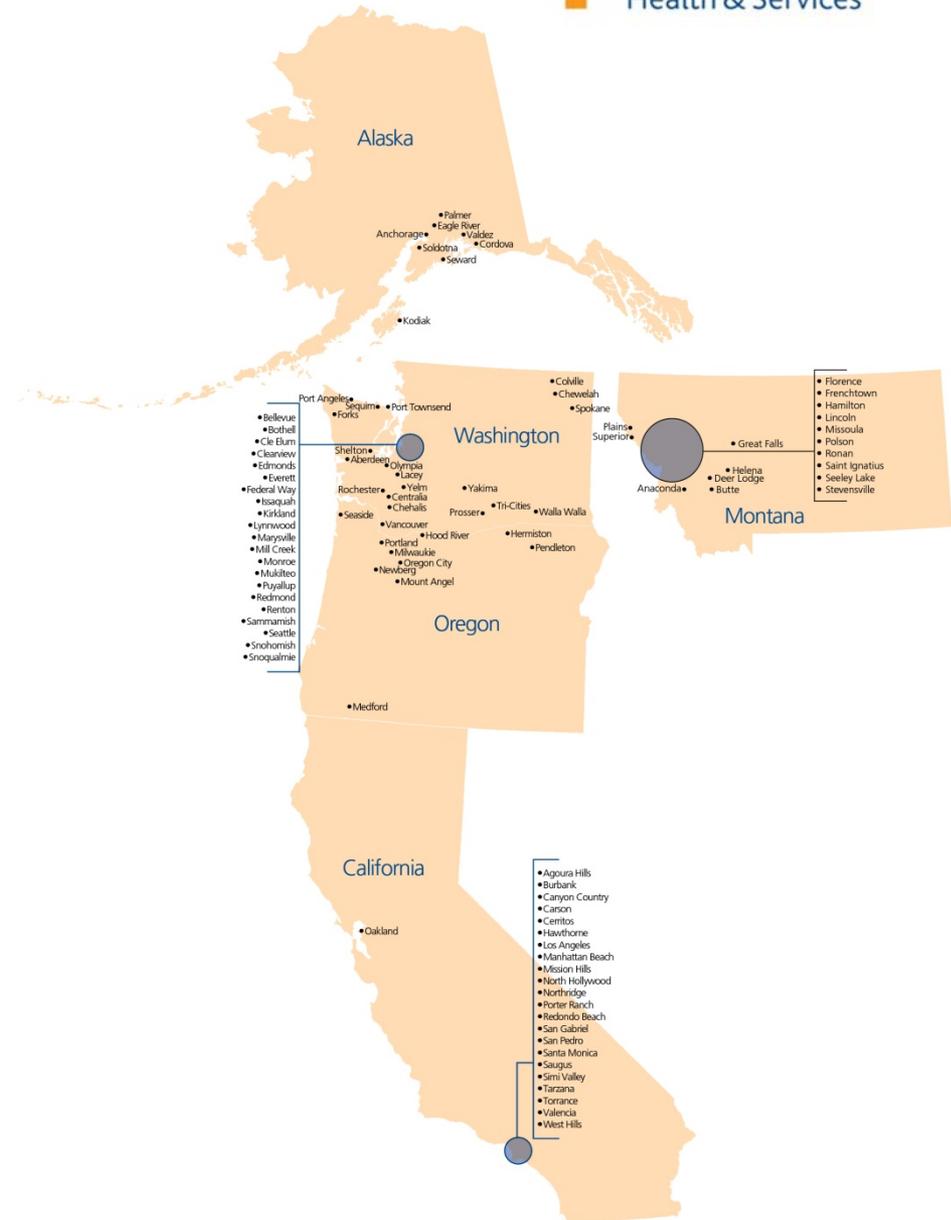

Committed to providing for the needs of the communities it serves – especially for those who are poor and vulnerable

Provided \$848 million in community benefit in 2014

Guided by a Mission of caring that the Sisters of Providence began in the West nearly 160 years ago

Our Heritage

Rooted in the charitable works that the Sisters of Providence began nearly 160 years ago

Founded in 1856 when Mother Joseph and five pioneering sisters arrived in Vancouver, Washington

Established more than 30 schools, hospitals and orphanages throughout the Northwest

Second oldest not-for-profit still in existence in Washington state

The same pioneering spirit of the sisters continues today as our calling and our promise
