Re: WARN – Announcement of Planned Action

Dear Grants Management Office:

We are writing to inform you that there will be a total closure of the 2EZY LLC (the "Company") operations at the DSK4 and HGE2 facility located at 12315 W. McFarlane Road, Airway Heights, WA 99001 on September 30, 2026. The entire operations of the Company will be closed, and all Company employees at the facility will be impacted. This closure is expected to be permanent. All Company employees are expected to be separated from employment on September 30, 2026 (the "Separation Date").

Please note: We only learned of this action from our only client, Amazon, in the last business day. This was unforeseeable — it was simply not possible for us to provide more advance notice of this action.

All affected employees have been notified of their separation dates and that their separation from employment will be permanent. All affected employees are expected to be separated from employment on September 30, 2026.

Attached is a list of the job positions that will be affected by the business closing, the names and addresses of the workers currently holding those affected positions, the number of affected individuals in each job classification, and the anticipated separation date for all affected employees.

There will not be any bumping rights for the affected employees, that is, employees will not be able to displace more junior employees out of their job positions as a result of this closure.

This closure is not the result of and will not result in the relocation and/or contracting out of company operations and/or employees' positions.

There is no union representing affected employees.

If you have any questions or want additional information concerning this matter, please contact Cassidy Glover, Owner, at cassidy2ezy@gmail.com or (480) 399-4275, or by mail at 522 W Riverside Avenue, Suite N, Spokane, WA 99201.

Sincerely,

Cassidy Glover
Owner
2EZY LLC
