Re: Loftus Administrative Services, Inc - WARN Notice

This letter serves as formal notification, pursuant to applicable state WARN Act requirements, of layoffs planned by Loftus Administrative Services, Inc for November 2026, affecting operations located in Granger, Sunnyside and Yakima, Washington.

The anticipated action will affect approximately 407 workers across these locations. A full roster of affected employees including name, job title, worksite, and expected separation date is enclosed as Attachment A.

We expect layoffs to occur between November 15, 2026, through December 15, 2026. This action is considered a permanent layoff, as no staffing plan for the 2027 season has been established at this time.

The affected workforce includes both H-2A visa holders and domestic workers. Given this mixed workforce, we would appreciate any additional guidance the Department can provide to ensure full compliance with applicable notice requirements for seasonal agricultural employers.

Sincerely,

Alex Munoz - Human Resources Director
