June 28, 2011

To All Interested Parties

The State Building Code Council (Council) is seeking members for all of the technical advisory groups (TAGs) in preparation for the 2012 code adoption cycle. Technical Advisory Groups conduct research into code related matters, review proposed amendments to the codes, and identify and define issues related to the codes, as requested by the Council or Standing Committee.

The Council will appoint members to all the technical advisory groups (TAGs) for a three year term. The 2012 TAGs will convene in the fall of 2011 to begin review of the codes. The 2012 review process will condude by June 2012 with a report to the standing committees. The TAGs set a meeting schedule once convened. Alternative means of participation not requiring travel will be pursued.

The Council welcomes all applicants for positions on any of the TAGs. Please submit a letter or e-mail indicating the TAG you are interested in and the constituent group you represent, along with a resume. Applicants will be asked to confirm the support of a local or statewide organization, where possible. All positions are open and previous TAG members must reapply. The deadline for applicants is August 5, 2011. The Council is seeking subject area experts from the following groups:
