Pricing Information

Pricing is available via the [NASPO website](#).

Pricing and Ordering explained:

Orders are regularly placed via the vendor's Web site, which should reflect accurate contract pricing. The price sheet above is provided by the Western States Contracting Alliance (WSCA). The documents are lengthy but can be used to confirm the pricing charged by the vendor.

User guide:

To set up an account, or verify the status of an existing account, please contact the contractor listed on page 1. Please use the FedEx User Guide to learn more about how shipping with FedEx works.
