

6.2 (M) PRICE LIST

6.2 (M) Price List

Using only the form attached as Appendix F, Price Sheet for Financial Requirements, Vendor must provide a Price List as an attachment to its Proposal. Such list shall include the prices for all products, software, and services (including installation, implementation, training, and maintenance and support services, if any) necessary to provide the Proposed Solution described in Vendor’s Proposal, including any Desirable requirements Vendor asserts it can meet.

It is the Agency’s intent that the Price List become an exhibit or attachment to the Master Contract, and used by Purchasers in acquiring all or part of the Proposed Solution under the Master Contract. Vendors should complete the Price List accordingly.

Carahsoft’s completed Appendix F, Price Sheet is provided below.
