

2 HOSPITALIZED AFTER CO LEAK

February 27, 2009 3:47:07 PM PST

February 27, 2009 (CHICAGO) -- Two people were hospitalized after a carbon monoxide leak at a drug store on the city's Northwest Side. Emergency crews responded to a call this afternoon at the c-v-s pharmacy in the 47-hundred block of North Milwaukee Avenue.

A faulty furnace is blamed for the CO leak. It's not clear whether those injured are employees or customers.

Both are in fair condition.
