

## Hawaiian Hold-em Rules

1. Played with a standard 52 card deck.
2. Players make an initial bet within house limits. **Card room operators must not allow wagering limits to exceed the authorized limits set out in WAC 230-15-040 and WAC 230-15-140.**
3. Each player and the dealer receive a three card starting hand.
4. After receiving their starting hand, players may make an **optional raise up to two times their initial bet (a \$10 bet can be raised up to \$20 more).**
5. The dealer flops the first 3 community cards face up.
6. The players must discard one of their three cards.
7. After all the players have discarded, the dealer brings the last two community cards face up.
8. At this point, the dealer turns over their other three hole cards and makes their best 5 card hand and discards the lowest value hole card that isn't used in their best hand.
9. In turn, the dealer compares their hand with each player's best 5 card hand consisting of the player's two hole cards and the 5 community cards. The dealer takes losing bets and pays winning hands.
  - A. Winning bets and raises are paid 1 to 1.
  - B. *Ties are Pushes!*

### *Alternative method A*

- Players may only raise up to 1 time their bet and Player wins ties.*
10. No side bets between players.
